DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-3 and 5-9 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 1, in lines 13-14, applicant should clarify the structure intended by "wherein receiving a first edge of a first circuit board and ..." It is not clear what is receiving the edges of the first circuit board. In line 13, applicant should clarify whether the "a first circuit board" is intended to be the same circuit board as that recited in line 3. In lines 13-14, applicant should clarify whether the "a first edge of a second circuit board" is intended to be the same "a first edge of a second circuit board" recited in lines 3-4. In line 14, applicant should clarify whether the "a second edge of the first circuit board" is the same "a second edge of the first circuit board" recited in line 7. In lines 13-16, applicant should clarify the "grasping" structure.

Allowable Subject Matter

3. Claims 10-16 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest, in the claimed combination, grasping and securing

Art Unit: 2841

first and second edges of first and second circuit board, wherein the circuit board are secured via the grasped first and second edges of the first and second circuit boards, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

5. Claims 2-3 and 5-9 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Response to Arguments

6. Applicant's arguments with respect to claims 1-16 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

Art Unit: 2841

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action.
